Application for Membership

BROWNS BAY BOATING CLUB INC

Our clubrooms are situated on Beach front Lane, behind the Police station in Browns Bay.

On average we have 100 – 130 family memberships. Our members enjoy a variety of water activities including fishing, sailing, skiing and cruising. We have regular Club nights throughout the year where we will invite a speaker to our rooms or go out on a visit to place of interest e.g. fisheries, boat builders, fish chandleries and other clubs.

The BROWNS BAY BOATING CLUB (BBBC) is committed to the on-going support of the BROWNS BAY MARINE CENTRE TRUST. The Trust manages the building which houses both the BROWNS BAY BOATING CLUB and COASTGUARD NORTH SHORE (CGNS). All organisations/ are committed to Boating Safety and the on-going Education of both boaties and the general public. Together we have achieved a facility which not only securely houses the Tractors and Rescue Boat, but also provides a function room which can be hired out and is used for Club functions, private functions and Education.

The Club emphasises its proud safety record by ensuring all members' boats are up to a reasonable standard and equipped with all the necessary gear for their excursions.
