

Paneiri Park 31 March 2016

Thanks to all those who turned up to explore the Paneiri Park/ Racecourse area. The checkpoints did cover a wide area, probably suited more to well-trained athletes than the general public! Despite this there were still some great results and hopefully everyone enjoyed the experience. We will try to keep the controls in closer for next week at the Lagoon.

Next week will be daylight saving so it will be a bit darker by the 6.30pm finish time. Keep an eye on the light levels, particularly if it is overcast – you might want to bring a torch.

Next week, a reminder that it is helpful if you can bring the right change and also if you can bring your own pen.

Hope to see you there.

Joy 😊
