

Waterloo Park 14 April 2016

It was a beautiful night for running around Waterloo Park and along the river. I used an iPad to take images of each person's results so that people can take their maps home. My apologies if I made a mistake on adding up the points.

Great to see everyone did so well and got back before the darkness fully descended!

Thanks to all who participated in these evening events.

Students, be sure to compete at the Manawatu Schools Champs on May 20th. Contact Joy about competing for your school and best wishes.
